6. (Internal Use Only - CM) Ben Lowe, in the office of Representative C. W. Bill Young (R., Fla.), called with three requests. When I returned his call I responded to the requests as follows: (a) for the constituent who wants the address of former Director Richard Helms to be able to send a favorable article on Helms to him which the constituent had written, I asked Lowe to refer to the State Department as Ambassador Helms' last professional location; (b) Lowe said he would like to receive a copy of a recent unclassified CIA energy report, which [] [] agreed to forward to him; and (c) Lowe asked for a briefing on CIA's liaison with the Congress and how this might be of value to Mr. Young. I said that Tom White would try to stop in to talk with Mr. Lowe directly in the next few days.

7. (Internal Use Only - CM) LIAISON Concerning the 12 October conversation between [] OWI, and two officials of GAO, I called Jerry Stolarow, Deputy Director, Procurement and Systems Acquisition Division, to explain that OLC was the focal point for GAO requests and referred him to the Director's 19 October letter to Comptroller General Elmer Staats. Stolarow said he had the letter before him and was formulating a reply reflecting the interest of his element of GAO.

8. (Internal Use Only - CM) BRIEFING I accompanied [] NFAC, to a briefing of Representative Christopher Dodd (D., Conn.). Initially [] briefed staffer, Marvin Feuerwerger on the recent political reactions in Europe and the Soviet Union to discuss possible U.S. deployment of neutron warhead weapons in western Europe. Mr. Dodd arrived later and [] briefed him alone. Feuerwerger read a Confidential paper on nuclear proliferation written by [] OPR, which he (Feuerwerger) had requested of us. Feuerwerger also requested copies of several unclassified CIA publications which I promised we would send to him. I referred the list to [] NFAC/CSS. Mr. Dodd and Feuerwerger expressed their particular gratitude for our briefing and assistance.
